SKILLS

- Python
- C++
- SQL
- HTML
- CSS
- Effective Communication

LANGUAGES

- English
- Hindi

PROFILE

I am a dedicated and detail-oriented student at Teerthanker Mahaveer University with a strong foundation in programming and web development. Proficient in C++, Python, HTML, CSS, SQL, and currently expanding my expertise in JavaScript to enhance dynamic web functionality. I have successfully completed a certified C++ course and actively apply my skills to build responsive and visually appealing web interfaces. My passion for UI/UX design and technology customization drives me to explore innovative solutions and continuously improve my workflow. I thrive in collaborative environments and am eager to contribute to projects that blend creativity with technical precision.

WORK EXPERIENCE

Academic Projects

Portfolio Website

- Designed and developed a personal portfolio website using HTML, CSS & JAVASCRIPT.
- Included section like About Me, Projects, and Contact Form.
- Learned website hosting using Github Pages and Netlify.

Self-Learning Project

Responsive Landing Page

- Built a mobile-friendly landing page after completing an online HTML/CSS course.
- Practiced layout design using Flexbox & animation using Keyframes.
